

Membership Terms & Conditions

Introduction

At Gymfinity Kids we know that parenting can sometimes feel like a bit of a balancing act. So, to help you get the best out of Gymfinity Kids we've made our terms and conditions easy for parents to follow. After reading through our terms and conditions, if you have any questions a member of our team will be happy to help you.

To help make these terms and conditions simple, we have split them into two parts:

Part A - Membership terms and conditions

We kindly ask all our members to keep to the same terms and conditions. This section also includes our privacy policy and cookies and helpful information on our fees.

Part B – Golden rules and regulations for using our facilities

We can't create the best gymnastics and ninja clubs in the world without the help and support of our wonderful parents. So, we kindly ask all members to read through our golden rules and regulations, so we can offer an enjoyable and safe environment for everyone.

This section also includes useful health and safety information as well as more about our club facilities and the services we provide.

Linked member – children linked to your membership attending classes, birthday parties & holiday camps and any other onsite activity can be aged between 0years-14 years old.

Your membership – your membership at Gymfinity Kids including your linked members

Please be aware that these terms and conditions replace any previous versions and apply at all times.

Part A - Membership terms & conditions

Principle terms for members

- This agreement starts once you have shown your acceptance in the 'declaration' section of the web sign-up process.
- An adult must sign-up to the membership process on behalf of the child and where these terms refer to 'you' it will be to the adult who is able to conclude this agreement. Children attending classes, birthday parties, holiday camps and any other onsite activity can be aged between 0 years-14 years old.
- This agreement will become binding on you and us when we contact you to confirm your membership application has been accepted.
- You cannot transfer this agreement to anyone else.

Fees Charges & Membership

- The joining fee will be collected from you by us via credit/debit card at the point of sign-up. The first linked member will be charged at £30.00 and any additional linked members will be charged at £5.00.
- Your monthly fee will be taken at the point of sign-up, this initial fee will be taken as part of your first month's payment. Your ongoing monthly membership fee will then be taken on or around 1-month after your first class. This means, if your child attended their first class on 14th July, the date that the ongoing monthly membership fee will be taken is on or around 14th of each month hereafter. This payment will be taken by the card you initially use at the point of sign-up. The monthly fee equals the weekly class price, multiplied by 52 weeks, divided by 12 months.
- You are able to amend your membership by visiting the Parents Area of the website and using your password and email address that you entered at the join-up stage, to log in.
- You can add a bolt-on to your membership at the point of sign-up or at a later stage of your membership in the Parents Area.
 - Skills tracker will allow you to view your child's progression in their class by receiving regular updates via the Parent Zone app. If you add this to your membership, you will receive an email from your next payment date, which will allow you access to the Parent Zone area where you can view the app.
 - By adding this bolt-on to your membership you give us permission to create a Parent Zone account on your behalf.
 - By adding this bolt-on to your membership you agreed to your monthly fee being increased accordingly.
 - You must purchase skills tracker per child.
- If a scheduled monthly payment fails for any reason, we will attempt to take this payment for a second time 5-days later. At this point an additional £10.00 will be added to your monthly fee as a late fee. To avoid this late fee charge, you can login to your Parents Area and pay the outstanding balance on your account before the 5th late day.
- Should we attempt to take this payment again after 5-days and we are not successful, your membership will be immediately cancelled and your child will no longer be able to attend their class.
- You can amend or cancel your membership subscription by visiting the Parents Area. Should you cancel your membership we will contact you to inform you of this. Please note, by cancelling a subscription, you will lose access to that class and your child will not be able to attend from that point onwards. No refunds will be issued.
- You may end your membership and/or a single subscription or bolt-on at any point by logging into the Parents Area.
- In the above circumstance, your membership and/or subscription or bolt-on, will cancel with immediate effect following Gymfinity Kids Ltd receiving the cancellation notification.
- On the very rare occasion we may need to cancel a class, if this does happen, we will try to contact to you prior to the class and will also arrange a replacement class.
- Replacement award booklets will be charged at £2.99

- You can add an additional class or child to your membership at a later date. You will be subject to paying a pro-rata (mid-month) payment to cover your membership costs until your next full months payment. You may also be subject to a joining fee.
- We may charge a joining fee at the point of signing up or when adding another child to your membership. From time to time we may discount this joining fee rate using a promotional discount code.
- We may promote an offer using a promotional code. This code can discount joining fee, monthly subscription fee, holiday camps and other events. Please note these offers may end at any time.
- Be aware, if you are unable to attend a holiday camp these are non-refundable. However, if you contact a member of our team, we may be able to transfer your day depending on availability.
- From time to time we may run promotional offers reducing the joining fee or monthly membership fee for a limited period of time. We currently have a zero Joining fee offer running for new members during the dates of: 1st-15th September, 27th – 6th October, 24th-31st October. Please note these are a limited offer and may end at an earlier time.

Prices

- From time to time we may increase the price of membership. We will give you at least 30-days notice of any upcoming price increase and will make it very clear when the price increase will take effect and how much your membership will cost after the increase. During this period, you will have the right to end your membership in line with the membership terms and conditions. If you do not end your membership by the date given to you in the notice, then the price of your membership will be increased in line with our notice.
- Price increases are communicated to members via email to the email address used in the sign-up process.
- We may offer an exclusive pre-sale offer, this offer may increase at any time, limited spaces available.
- We may increase our advertised rate at any time, please see the website for the most up to date pricing.

Money Back Guarantee

- As per the Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013 you are entitled to cancel your membership and receive a full refund of any fees paid within 14 days of completing your membership application form. However, as per regulation 36 of Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013, if you select to commence your membership immediately, or you ask us to start your membership early, you agree that if you subsequently cancel your membership within the 14 day period, you will be refunded any monies paid, less an amount for the membership you have already used. For example, if your membership fee is £15.00 per month and you cancel your membership after 10 days of it commencing (having asked us to start it immediately) we would refund you £10.00, keeping £5.00, which represents the membership you had used up to the point of cancellation.
- In the instance of a party booking, a minimum of 50% of the party cost will be taken at the point of sign-up. You will be entitled to a full refund should you cancel more than one month before the party date, 50% refund if cancelling 2 weeks before and you can reschedule the party free of charge for another date if less the 2 weeks prior. In this instance you will not receive a refund. There will be no refund for cancelled children.

Liability

- We will not be liable or responsible for any failure to perform, or delay in performance of, any of our obligations under these terms that is caused by any event that is outside of our reasonable control.
- We do not accept liability for damage or loss to your property or a guest's property that may happen in the club or within the area of your club or any other Gymfinity Kids club, other than the liability which arises from our negligence or our failure to take reasonable care.

- We do not accept liability for the injury or death of any member, child or guest that may happen on the premises or within the grounds of your club or any other Gymfinity Kids Club, other than the liability which arises from our negligence or our failure to take reasonable care.
- Nothing in these terms and conditions is meant to limit any rights you might have as a consumer.

Miscellaneous Terms

- We may assign the benefit of this agreement and our rights to a third party on notice to you. Your rights under this agreement will not be prejudiced.
- There may be occasions where we have to close all, or part of, the club of which your child is a member. We will do our best to let you know of such closures in advance of them taking place, unless the problem is urgent or an emergency. We will use all the resources we have to ensure that such closures are outside of busy periods and are kept to a minimum, in both duration and frequency. If such events happen, we will offer you a catch-up class or credit you for this lost time.
- As a consumer, you have legal rights in relation to any services that are not carried out with reasonable skill and care, or if the materials we use are faulty or not as described. Advice about your legal rights is available from your local Citizens' Advice Bureau or Trading Standards office. Nothing in these terms will affect these legal rights.

Part B – Golden rules and regulations for using our facilities

One of our goals is to create a special place full of encouragement, inspiration and motivation. We can't create this place without the help and support of our wonderful parents and children. So, we kindly ask all members to read through our golden rules and regulations.

Golden rules for kids:

- **Uniform** - Gymfinity Kids must all wear the right clothing for their class, which is shorts and t-shirt, leggings and a t-shirt or leotard. Remember, no footwear is allowed on the gym floor. Long hair needs to be tied back and take off any jewellery– if ears have recently been pierced, they must be covered up with sticky tape or plasters.
- **No food** - It's thirsty work being a Gymfinity Kids so remember to bring a water bottle to your class. Remember no food or chewing gum is allowed onto the gym floor at any time.
- **Respect** - We all matter at Gymfinity Kid and only the "nicest humans in the world" are coaches, so we ask everyone at our club to treat others the way they would like to be treated, with respect. We also kindly ask all Gymnasts and Ninja Knights to treat all equipment with respect too.
- **Be Safe** - We want to make sure everyone in the club stays safe. This means listening to your coach's instructions and at the end of your class waiting patiently for your parent to collect you.
- **Have fun & celebrate** - Not only do we want to teach you all how to be great Gymnasts and Ninjas Knights, we also want to create great sportsmanship and have lots of fun learning. Cheer your friends on and celebrate their achievements too!

Golden rules for grown-ups:

- **Be on time** - We understand how parenting can sometimes feel like a bit of a balancing act, so we kindly ask all our parents to try their best to arrive 5 minutes before their child's class begins.
- **Language** - We want to make sure our clubs are family friendly, so we ask all our parents to be mindful of the language they use whilst in the club.
- **Don't distract** - Try your best not to distract any child before they perform a move. We want to keep all children safe whilst they are training, so it's important they have time to focus on learning and have fun mastering new "superhero flying tricks".
- **Keep us in the loop** - We want your child to get the most out of their tailored gymnastics or ninja classes. So, we ask all our members to keep us in the loop with any changes. If your child is going to miss their class due to illness, injury or holiday let us know.
- **Encourage** - Not only do we want to create great gymnasts and ninjas, we also want to create great sportsmanship. We ask all members to set a good example by encouraging not only their own child but others too.
- **Stay safe** - We are fully committed to safeguarding and promoting the well-being of all our members. So, members are encouraged to be open and share any concerns or complaints that they may have with the Club Manager directly. Please note it is also the parent's responsibility to ensure that their child safely enters and leaves the gym floor before and after their session.
