Welcome to our Nursery

Our Chatham setting is our largest, most impressive nursery yet with space for up to 137 children. With lots of natural light, a beautiful garden wall an inspirational outdoor themed learning hub and purposely built rooms to support every stage of your child's education and development.

Our nursery has been specifically created for each age group so that every child is cared for in a happy, stimulating, fun-filled and educational environment. We support every stage of your child's education and development through meeting all of the requirements of the Early Years Foundation Stage and ensure that all children are kept healthy and safe and that they have the knowledge and skills they need to start school.

From 2 years of age our nursery children explore the wonders of gymnastics on our impressive gym floor. This daily session focuses on floor activities with stations and obstacles, so whether that's learning how to do a forward roll or exploring their surroundings you can be sure your child is developing their balance, coordination and flexibility. Children progress and develop through the unique awards scheme whilst building their confidence and friendships.

Our day nursery offers spaces for children aged 6 weeks to 5 years, on a full and part-time basis. We are open 8am-6pm Monday to Friday 51 weeks a year.

Fees are subject to review by Cymfinity Kids Nurseries and we may amend them by providing you with one month's advance notice in September of each year.

Fees must be paid a minimum of one month in advance on the first of each month (Due Date). Your child's fees will be taken by Direct Debit. We accept some childcare vouchers; voucher payment must clear into our account by the due date, otherwise, we will automatically apply it to the next month's fees, and we will consider the current month's fees outstanding. Please note, an admin fee of 5% of your monthly bill each month will be added to your invoice if you do not pay by direct debit.

Government funding will be applied the term after your child is 2 years or 3 years and providing relevant documentation is in place.

The nursery reserves the right to terminate or suspend your child's place, with immediate effect, if you do not pay the fees by the due date or you have any outstanding nursery fees. The nursery shall be entitled to charge interest on any late nursery fees. We may also charge an additional 20% of the total outstanding fees for all other associated costs related to non-payment or recovery of any nursery fees.

In addition to the fees, the nursery reserves the right to charge the following ancillary nursery fees: late payment fee and late pickup fee will be charged at an additional £7.50 for every 5 minutes late.

We will not refund any fees if your child is absent due to illness, holiday, or as required under the nursery's policies and procedures. In addition, the nursery will not refund any fees, be in breach of the Parent Agreement, or otherwise be liable to you by reason of any delay in performance or non-performance of its obligations to you due to any event outside its reasonable control. Such events include, without limitation: fire, war, acts of terrorism, strikes or other industrial action, infectious diseases, epidemics, inclement weather (such as snow or flooding), unforeseeable repairs or any failure of public or utility services (such as highway and public transport delays or failures).

In the event the nursery applies any discretionary discount to nursery fees, this discount will be solely as a gesture of goodwill and will not constitute any variation of this Parent Agreement. We offer a 10% sibling discount on the oldest child.

Late collection and Non-collection

If a child has not been collected from the nursery after 30 minutes has been allowed for lateness, we initiate the following procedure:

The nursery manager will be informed that a child has not been collected

The manager will check for any information regarding changes to normal routines, parents' work patterns or general information. If there is no information recorded, the manager will try to contact the parents on the telephone numbers provided for their mobile, home or work. If this fails the manager will try the emergency contacts shown on the child's records

The manager/staff member in charge and one other member of staff must stay behind with the child (if outside normal operating hours). During normal operating times, the nursery will plan to meet required staff ratios. If the parents have still not collected the child, the manager will telephone all contact numbers available every 10 minutes until contact is made. These calls will be logged on a full incident record

In the event of no contact being made after 30 minutes has lapsed, the person in charge will ring the local authority children's social services emergency duty team

The two members of staff will remain in the building until suitable arrangements have been made for the collection of the child

The child's welfare and needs will be met at all times and to minimise distress staff will distract, comfort and reassure the child during the process

In order to provide this additional care a late fee of £7.50 for every 5 minutes late, will be charged to parents. This will pay for any additional operational costs that caring for a child outside their normal nursery hours may incur.

Opening Hours and Collection

The nursery is open throughout the week and may be closed on other designated days. To find out the nursery's opening hours and closed days, check the nursery's notice board or ask the nursery for the schedule.

Only you or authorised contacts who are over eighteen years old can collect your child from nursery. If your child remains in nursery after the specified closing time and the nursery has not been able to reach you or an authorised contact to agree

your child's collection, we will call Social Services and/or other government bodies as the nursery deems appropriate. If you are late collecting your child, we may charge you a late pick-up fee as further described in the fees sheet.

General

The nursery is not responsible for any items left by you at the nursery including but without limitation: push chairs, prams, car seats, and clothing.

The nursery may unilaterally change any provision of this Parent Agreement without notice to you where such change arises from regulatory or legislative requirements. For any other changes to this Parent Agreement, including but not limited to, a change of booked sessions or assignment of this Parent Agreement, the nursery will provide you with one month's advance notice.
